Introduce a brand new customer* to Lakeview Market’s money-saving Meat Deals and get \$50 worth of Punches on your “Choose Choice Meat Card.”

The more people you bring to Lakeview’s Meat Department, the more you benefit.

After referring 3 New Meat customers, every new customer you send in, will get you \$100 worth of punches.

Do your Friends and Family a favor by helping them to Rediscover what a “Full Service” USDA Choice Meat Department is all about.

...& Get them a 10% bonus in their first meat Pack from \$44.95 to \$299.95 (That will get them at least \$4.50 to as much as \$30.00 extra value!)

The more you share the Lakeview Meat “Experience” with others, the more money you will save on your USDA Choice Meats!!

Note* Lakeview’s Meat Department does not have customers, like other stores. We have “clients”. As a “Client” you are under the care, guidance, & supervision of a trusted advisor. We don’t just wait on you, we advise you, counsel you and help you with cooking instructions, recipes & serving suggestions.
