We have barbecued as far north at Richardson Grove and as far south as Petaluma, with our huge mobile Barbecue Pit. Our catering service has served events at the Eureka Inn and at the Red Lion in San Jose, and hundreds of locations in between.

We have no middlemen, and always have hundreds of pounds of salads and a ton of USDA Choice Beef already in stock.

One call does it all! We bring everything from the barbecue pit, serving tables, napkins, plates, cutlery, and your complete meal selection including, if you prefer, appetizers, beverages, beer and even chilled champagne.

When we are done serving, we clean up and you don't even know we were there, except for your very satisfied guests.

The quality of the meat is surely the most important part of any meal.

When dining out or when celebrating a special occasion,

The quality is remembered, long after the price is forgotten.

At Lakeview Supermarket & Deli, our catering department, Known as “Lindy’s Quality Catering” uses strictly top-of-the line products.

Since 1970, we have sampled and tasted hundreds of different types and varieties of salads, dozens of brands of Roast Beef, Turkey, and Ham and use only the very best.

Our barbecues feature strictly Certified Premium USDA Choice beef, all cut and hand picked by our butchers especially for your special event. Lakeview Supermarket sells tens of thousands of dollars in meat every month because of our reputation for quality and service. Our volume and low overhead enables us to sell the best meat, poultry, and deli items for far below what other catering services offer.

We invite you to come compare our prices, and please taste our quality.
