Note: In this special offer we allow no substitutions, because we insist you try all these Lakeview Specialties...

Extra Lean Ground Beef-Always ground fresh, only from the finest chuck, and has just the right amount of lean, and a perfect balance of fat for the best flavor. Our ground beef is the safest in the industry! (Usually 80 to 85% lean)

Boneless Short Ribs- Also known as Flat Iron Steaks, but they are really a Boneless Top Blade Chuck Steak. These are one of the most versatile pieces of beef we sell. Great Broiled, grilled, sautéed; incredible in stews, soups or chili!

Old Fashioned Franks-Unlike most Franks, these are made with the finest ingredients and leaner meats. These dogs have half the fat of most other hot dogs. (Only 8 grams) The taste is awesome, Hot or cold!

Pork Breakfast Sausage-Ground nearly everyday from extra lean pork trimmings and mixed precisely to our specifications to deliver consistent, delicious flavor in patties, on pizzas, in spaghetti, you name it!

Platter Bacon: Hardwood Smoked Platter Bacon. Because it is dry cured, without added salt brine, this bacon tastes better and shrinks less and is a total crowd-pleaser. It's cut thicker, with a fabulous flavor alone or for seasoning any dish.

Specialty Meat Loaf- Each batch is made with 10 pounds of lean chuck, three pounds of lean pork, & over a pound of flour, cracker meal, garlic, onion, bell pepper, celery, black pepper, celery seed and other secret spices. Simply Delicious!

USDA Choice Certified Premium Chuck Steaks Usually chuck is a little tough and chewy but has good flavor. Our Certified Premium Chuck is Awesome, very well marbled, juicy & full of flavor, certainly a "best buy" for the price.

Pork Steaks and Chops -Center Cut, always around an inch thick. Because we sell so much Pork Sausage we use only the very best of the center cut Boston Butt and Pork Loins, closely trimmed with just the right amount of marbling for perfect flavor. Cook these anyway you like, BBQ'ed, grilled, broiled, fried, skewered, always great!

USDA Choice Certified Premium Culotte Steaks. Cut from a perfectly marbled tri-tip trimmed just right! We cook thousands of these every summer in our Catering Business. These delectable steaks are small yet packed with flavor, cut thick and always tender; this superior grade never needs to be marinated.

Gold'nPlump Chickens, Boneless Breast and Thigh Meat-Our customers love these birds, and our boneless chicken is a family favorite all year round! You will love the extra juicy thigh meat!

Cross Rib Barbecue Steaks- If you like a leaner, boneless steak this might just be perfect for you!
