In this special offer we allow no substitutions, because we insist you try these Lakeview Specialties...

Extra Lean Ground Beef-Always ground fresh, only from the finest chuck, and has just the right amount of lean, and
a perfect balance of fat for the best flavor. (Usually 80 to 85% lean)

USDA Prime Stew Meat Our Stew is cut only from Prime Beef making it the most tender, flavorful stew meat you have ever
eaten. It cooks faster, tastes better and is so good you could use it for ka-bobs.

Old Fashioned Franks-Unlike most Franks, these are made with the finest ingredients and leaner meats. These dogs
have half the fat of most other hot dogs. (Only 8 grams) The taste is awesome, Hot or cold!

Pork Breakfast Sausage-Ground nearly everyday from extra lean pork trimmings and mixed precisely to our
specifications to deliver consistent, delicious flavor in patties, on pizzas, in spaghetti, you name it!

Platter Bacon-Or to be more accurate: Hardwood Smoked, Brown Sugar and Cane Cured Platter Bacon. Because it
is dry cured, without added salt brine, this bacon tastes better and shrinks less and is a total crowd-pleaser. It's cut
thicker, with a fabulous flavor great alone or for seasoning any dish.

Specialty Meat Loaf- Each batch is made with 10 pounds of extremely lean ground chuck, three pounds of lean pork,
and over a pound of flour, cracker meal, garlic, onion, bell pepper, celery, black pepper, celery seed and
other secret spices. Simply Delicious! Use for meat balls, stuffing mushrooms or bell peppers, in spaghetti, etc.

Cross Rib Barbecue Steaks- If you like a leaner, boneless steak this might just be perfect for you! Our USDA Prime
Cross Rib Barbecue Steaks are cut from the back of the steer's shoulder, where the muscle is relaxed and much more
tender and flavorful. Try the smaller steaks for best results, but they are all good!

Pork Steaks and Chops -Center Cut, always around an inch thick. Because we sell so much Pork Sausage we use
only the very best of the center cut Boston Butt and Pork Loins, closely trimmed with just the right amount of marbling
for perfect flavor. Cook these anyway you like, BBQ'ed, grilled, broiled, fried, skewered, always great!

USDA Prime Culotte Steaks. Cut from a perfectly marbled USDA Prime tri-tip trimmed just right! We cook
thousands of these every summer in our Catering Business. These delectable steaks are small yet packed with flavor,
cut thick and always tender; this superior grade never needs to be marinated.
